Anointing Of The Sick

The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage.

REFLECTIONS ON STEWARDSHIP

“As the Lord spoke to me, the spirit entered me and set me on my feet, and I heard the one who was speaking say to me, ‘Son of man, I am sending...’” Ezekiel 2:2-3

God has a plan for each of us. He calls us to do something for Him. But, He doesn't leave us on our own to figure it out. He gives us the resources we need to do His work. Are you listening for God's call? When you hear it, do you get on your feet and do the work He asks of you? Do not be afraid. God doesn't call the equipped, he equips the called. Answer His call.

Suzette's
